

January 2022

Dear Friends,

It goes without saying that 2020 was nothing short of awful for many of us. We saw, and are now seeing, how fragile human beings can be. We are weak no matter how much we pretend to be otherwise. And we have had plenty to show us how weak we really are.

The Gospel speaks to us in our weaknesses and not a moment sooner. The sooner we realize this, the sooner we begin to understand the power and strength of our Lord. Even the worst of any pandemic doesn't compare to the power of the cross of Christ, which looks like weakness to us. But Scripture assures us that the cross, which is a display of God's weakness, is stronger than any human strength. The cross of Christ saves us from sin and even death. The resurrection of Jesus is the final seal of victory over death and human weakness!

So...be weak. Scripture calls this bearing the cross. We have been crucified with Christ in Baptism and raised with him in those same waters. In our human weakness, we love and serve our fellow weak humans with confidence and hope.

And...look forward to 2021. Though harm might come to us, pandemic or no pandemic, there is nothing that has the victory over us at the last. Through Jesus Christ, who loves us, we are more than conquerors!

I pray for an incredibly Happy and Joyous New Year for you and for us all!

In Christ,
Pastor Hoag

JANUARY 2022

We begin by saying thank you to so many.....

Thank You! Christmas services require the work of a lot of people. Some get their names in the bulletin. Many do not. We could try and list them, but inevitably, we would miss someone. So, whether you came and helped set up the tree, folded bulletins, swapped out candles, ushered, set up communion, cleaned up after communion, set up flowers, donated flowers, sang or played an instrument, a very warm and heartfelt THANK YOU! May the love that you showed be reflected back to you a thousand times over in the year to come.

The Chancel Guild would like to thank those who purchased poinsettias to help decorate the chancel area for the Christmas services. The flowers were beautiful!

An update from Church Council President, Bob Blecke:

Be The Church

We have often observed that to members and non-members alike, the beauty of our Church is often remarked upon. We have devoted much to the preservation and improvement of that building and its functions, from utilities like roof, stairs, lifts, and kitchen to beautification such as stained glass, organ, and landscaping.

We have created a beautiful and functional place to conduct our worship, of which we can, even as Lutherans, have a certain pride.

If you look up the word “church” in today’s dictionaries, you will be confronted with multiple definitions and contexts in which it is used – the building; the clergy; the whole body of believers; a denomination; a congregation; the worship service; the clerical profession; and those are just its uses as a Noun.

If you traced the word’s origins back to its appearance and form in the New Testament, you will find the Greek word ekklesia, and its use was much more specific (look up Acts 11:26, 1 Corinthians 15:9, or 1 Peter 2:9 for examples): specifically the assembly of believers who had been “called out of darkness into the light”. We number ourselves among those believers today. We are, in strictest Biblical sense, The Church, in its most central definition. As we celebrate Christmas, into the New Year, remember, you don’t just Go To Church; you are The Church, to your family, your friends, and your community. God’s blessings during Christmas and the coming New year.
