

March 2012

Dear Friends of Trinity,

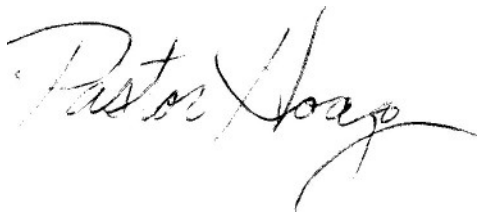

You're probably expecting a letter about my journey to India, and you would be correct! God is doing incredible things on the other side of the planet and I want to share with you what He's doing.

Put succinctly, God is transforming lives. The Holy Spirit is working mightily among the Indian people with the good news of Jesus Christ. It stands in sharp contrast to the bad news they receive daily about the spirituality they are supposed to practice in accordance with Hindu law. They hear it so often it ends up being deeply woven into the fabric of the society. It's just "the way it is".

God doesn't settle for that. He's in the freedom business. Jesus demonstrated that in his own day as he challenged the religious status quo. And just like us, India needs a Savior to free them from the darkness of their slavery to idolatry and superstition. People are hearing the good news of their Savior and coming to faith in him, forsaking their former spirituality and stepping out into the light of a new day. It's wonderful to see!

On Sunday, March 4, at 9:15am I will be giving a special presentation about my trip to India. I have lots of pictures to show you and stories to tell you. Grab yourself a cup of coffee and a donut hole or two, and come in to the sanctuary to hear and see what God is doing in India. I'm convinced that God can do the same thing in America! Mark your calendars and look forward to it. I'll see you then!!

In Christ,

Speaking of things financial:

2012 Financial Report: The congregation adopted a 2012 General Fund Budget of \$193,269 at its Annual Meeting on January 29. The Budget is 2.2% higher than contributions made to the General Fund in 2011. The Council deemed the increase warranted to cover expected higher operating costs. A modest salary increase of 2% was granted to Pastor, the Secretary, Organist and Choir Director. Primary support of the General Fund by the congregation is very important to meeting Trinity's ongoing needs.

Our congregation was truly blessed with financial support during 2011. Even though General Fund receipts were lower than in 2010, special donations and lower expenses allowed for the payment of all bills and modest increases in debt repayment and endowment funds. We met our final commitment to the Manhattan Mission and exceeded our budgeted remittances for Synod Missions, LCCF and Debt repayment. The balance on the original \$100,000 mortgage, used to finance the new restrooms, was \$29,196.84 at year-end. We want to thank everyone for their support of Trinity Lutheran Church and its missions. If you could not make the Annual Meeting and have financial questions, please contact Janice Prospero, Financial Secretary, or Bruce Hasch, Treasurer.
